## Movie plots

### The Amityville Horror (R)

— On Nov. 14, 1974, police received a frantic phone call that led them to a grisly crime scene in Amityville — a family had been slaughtered. A year later George and Kathy Lutz and their children moved into the house thinking it would be their dream home. But shortly after settling in, bizarre and unexplainable events occur.

### Because Of Winn-Dixie

(PG) — A lonely young girl adopts an orphaned dog who helps her make friends in a small Florida town. The bond between the girl and her special companion brings together the townspeople and helps heal her troubled relationship with her father.

### A Lot Like Love (PG-13)

— Oliver (Ashton Kutcher) and Emily (Amanda Peet) met on a flight from Los Angeles to New York seven years ago — each of them declaring they couldn't be more wrong for each other. Life keeps bringing them back together, but the timing never seems right. It takes seven years for Oliver and Emily to figure out that maybe what they really have is something ... a lot like love.

### Miss Congeniality 2:

**Armed And Fabulous (PG-13)** — FBI agent Gracie Hart (Sandra Bullock) is back undercover — this time trying to save her friends from the beauty pageant who have been kidnapped in Las Vegas.

### Beauty Shop (PG-13)

— You thought you'd heard it all in the barbershop, but you haven't heard anything yet — the women get their own chance to shampoo, shine and speak their minds in "Beauty Shop." Queen Latifah stars as Gina, a hairstylist who opens a shop of her own.
